DESCRIPTION

Matelot is wonderfully decked-out with exciting watertoys and lavish interiors to take her guests to some of world's most stunning cruising locations in absolute comfort and style. The raised saloon is the place to lounge for panoramic views or movie viewing while the dining area provides a space for formal meals.

Above, she features a flush teak deck presenting guests with plenty of areas to relax or sunbathe. The deck is highlighted by an ergonomically designed guest cockpit seating up to six guests in complete comfort. A Bimini shade over this area gives guests the choice of relaxing in the shade or instead lying back and soaking up the sun.

CREW

Matelot is crewed full time by a skipper, chef and Mate. They have full responsibility for the yacht whether undergoing refit work in the yard, deliveries across the Atlantic or whilst guests are onboard. Both the skipper and chef have worked for the owner for many years and have been with the yacht since she was purchased by the current owner. The mate has been involved with the owner's previous yacht and worked onboard since the current Matelot was purchased. Having been involved in all pre purchase details and the current refit, they are perfectly placed to ensure it meets the high standards to be expected on charter. All the crew onboard Matelot are trained through the STCW Basic Safety Course covering fire fighting, sea survival and first aid. The crew successfully chartered the Oyster 66 Matelot for over two years and look forward to welcoming you onboard the new Matelot - a Southern Wind 80!
