HELLS BELLS

31.40m (103'0"ft) | 2005

DESCRIPTION

Exceptionally well-maintained by a fulltime crew and immaculate in every sense of the word, HELLS BELLS is a pre-loved vessel unlike any other. Standing out from the crowd with an extensive and comprehensive refit worth over \$2.6m completed in 2023, HELLS BELLS presents as a premier quality superyacht. Step aboard and be blown away by brand new Permateeek decks that allow for long-lasting durability and ease-of-maintenance, the pristine full repaint of superstructure & hull, and the addition of a hydraulic swim platform that can only be described as a leisure-lovers dream, transforming from tender & cradle to an indulgent bar that’s perfect for enjoying in good company all year round.

Looking beneath her beautiful aesthetic and more obvious upgrades, HELLS BELLS benefits from a full overhaul of her twin MTU V12 engines, jet drive overhaul, upgrades to her electronics and navigation equipment, and the 2023 addition of Sidepower vector fin stabilisers, taking the onboard comfort to an unprecedented level and delivering a truly superior yachting experience. Walking through this beamy yet sleek superyacht you’ll uncover premium upholstery to her exterior furnishings, lush new carpets, new internal timber flooring, galley upgrades and so much more.

The aft deck is made for relaxation, with built-in sun pads to port & starboard and a signature al fresco dining area wrapped by dual staircases taking you to tinted sliding glass doors that invite you inside to the first of two saloons. Seamlessly connecting guests to their surrounds are the panoramic windows that stretch down either side and the electronically operated sunroof. Saddling the helm are dual staircases that welcome you to the second, lower saloon, a warm & richly furnished area that lends itself perfectly to family time and hosting VIP guests in a more intimate setting.

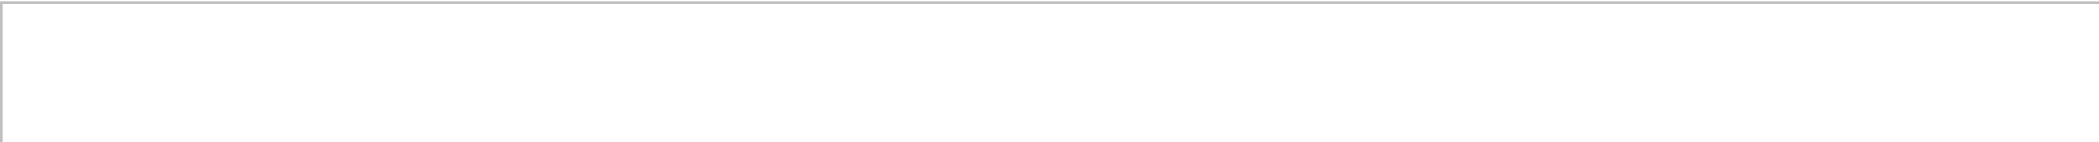

ACCOMMODATION

HELLS BELLS can accommodate eight guests across 4 ensuite cabins encompassing a full beam master amidships, VIP forward, single cabin to starboard and a portside twin with additional pullman berth. Crew quarters suit up to 4 crew, allowing for the ultimate relaxed yachting experience.
