NASHIRA

27.75m (91'0"ft) | 2005

DESCRIPTION

Following an extensive refit in 2022, NASHIRA is presented to the brokerage market as a practically new yacht: a modern cruiser with a beautiful grey hull. She now features Sonos throughout, with an enhanced exterior to provide abundant space for relaxing, dining and providing easy access to the water. Her sun deck has been extended by 1.5m, meaning there's space to both stow the tender and more room for lounging and dining.

ACCOMMODATION

NASHIRA can accommodate eight guests across four cabins, all on the lower deck, including an Owner's suite with walk-in wardrobe and large bathroom with shower amidships, a VIP suite with ensuite bathroom/shower room, and two ensuite twin cabins.
