# PG'S JESTER

35.97m (118'0"ft) | 1995

---

## DESCRIPTION

The main deck is an open arrangement plan with a tremendous feeling of light and space with numerous oversized windows and atrium effect in the salon. This yacht has benefited numerous upgrades over the past years to include complete paint job, 3' swim platform addition, new custom varnished teak cap rails, teak & holly overhead panels for aft deck, and in 2009, all electronics were updated.

In 2010/11, she received a major refit with a complete Matterhorn white awlgrip paint job, new interior with stained walnut joinery, new carpet, new soft goods throughout, new custom furnishings, new flat screen TV's and surround sound systems. Powered by majored DDEC 16V-92's, Pg's Jester cruises comfortably at 16 knots with a 20 knot top end speed and 7700 gallons of fuel provides for extended range. In Aug. 2013, the sea chest was completely rebuilt to new condition, anchor windlass rebuilt, new A/C compressor and two new sets of GE washer/dryers added. Complete update & refit of engine room in 2016.

**\$200K PRICE REDUCTION!**

---

## ACCOMMODATION

In addition to the obvious extra interior volume provided by the significant increase in beam, Pg's Jester features full walk-around decks, aft engine room, accommodations for eight guests in four staterooms plus crew quarters for five.
