STATE OF GRACE

39.40m (129'3"ft) | 2013

DESCRIPTION

In 2013, Perini Navi and Ron Holland Design collaborated to build STATE OF GRACE, the first vessel of Perini Navi's 40m Fast Cruising series. Designed to be a contemporary high-performance sloop suitable for world cruising, STATE OF GRACE and was a finalist for six industry awards due to her stunning design.

STATE OF GRACE offers a thrilling sailing experience with its Southern Spars hybrid carbon mast and boom, along with Perini Navi captive reel winches of the latest generation. Its 17-ton lifting centreboard provides exceptional stability during cruising and can be raised to a maximum of 9.1m or lowered to 3.5m to access shallow cruising areas and anchorages.

During the 2022/23 winter season, the yacht underwent a comprehensive mechanical refit and an extensive interior renovation of its communal guest areas. The updated layout and new interior design have created exceptionally luxurious spaces for guests to enjoy the comfort of this performance cruiser.

ACCOMMODATION

STATE OF GRACE can comfortably accommodate nine guests in four cabins.
